Please wear beige/skin colored tights. If you would like to wear your own skating dress or another outfit of your choosing, you may do that instead. **BOYS** please wear your favorite hockey jersey and pants of your choice. If you do not have a jersey, please feel free to wear an outfit of your choosing. **Everyone should be wearing skates & hard skate guards.**

*****Skate guards are VERY important as the skaters will be walking on a hard surface in the stands and the old lobby which can damage their skate blades. TGISC is NOT responsible for damage to skates!*****

Solo pictures only taken from 10:30-11:15am

Please wear your team jersey or your favorite team's hockey jersey and pants of your choice (i.e track pants, sweat pants, or hockey pants). You do not need to be in full hockey gear, however, please put your skates and hard skate guards on. Of course, if you prefer to have a picture with full hockey gear, or another outfit of your choosing please feel free to do so.

Remember your stick!

Parents: Parents are NOT allowed into the old lobby where the pictures are being taken. Please bring your skater to the stands at the far end of the arena. We will have parent volunteers who will take your skater in for pictures. It can get very crowded, so we appreciate your cooperation.

*****SKATERS: PLEASE WEAR HARD SKATE GUARDS IN THE STANDS & OLD LOBBY*****
